

## YOUR FREE APPLICATION – ROADWORKS PAYMENTS

***Roadwork's are near your business*** and you are entitled to a ***free application*** for a payment for your business if you believe you have been affected by these works. Very often businesses like yours are entitled to a payment which could amount to **£1,000's** as a result of these types of roadwork's.

You could be pleasantly surprised by the amount we recover for you by using our simple, easy to use, performance driven, free to apply for service.....

As a leading nationwide specialist for obtaining roadwork's payments, our free application service enables your business to apply for a payment with no risk to yourselves whatsoever. Be assured that there is no charge at all, at anytime, until you receive a payment yourself. Upon receipt of payment, the only charge is 20% of the payment you receive, once you have received it; it's as simple as that.

If we don't get you a payment, you pay us nothing at all.

***Secure your free application now*** by completing and returning the enclosed appointment form. We will then get back in touch to complete the application.

Yours sincerely,

*Sue Parsons*
